SAYED LAZINA

Aspiring Data Analyst

Lucknow | sayedlazina9991@gmail.com | 8115532982 | [LinkedIn](#)

SUMMARY

Master of Computer Applications (MCA) student at Integral University, Lucknow, with expertise in Python, SQL, and Machine Learning. Skilled in data visualization, data processing, and hands-on projects. Passionate about deriving business insights through data-driven solutions.

EDUCATION

Master of Computer Applications (MCA)
Integral University, Lucknow | *2024 – Present*

Bachelor of Computer Applications (BCA)
Integral University, Lucknow | *2021 – 2024*
CGPA: 8.5

WORK EXPERIENCE

Data Analyst Intern – *Prodigy Infotech | Feb 2025 – Present*

- Performed exploratory data analysis (EDA) on HR analytics and Google Play Store data.
- Utilized Python, Pandas, and SQL for data manipulation and visualization.
- Documented findings and presented insights to improve data-driven decisions.

IoT Intern – *Integral University | July 2022*

- Developed an IoT-based device to monitor temperature and humidity of plants.
- Worked on sensor integration and data collection techniques.
- Utilized Python and embedded systems to process and visualize environmental data.

PROJECTS

- **Google Play Store Data Analysis –** Conducted EDA using Python & Pandas to find trends in app categories. Created visualizations with Matplotlib & Seaborn. Shared findings in a GitHub repository.
- **HR Analytics Data Analysis –** Analyzed employee retention data for insights. Used SQL & Power BI for visualization and reporting
- **IoT-Based Plant Monitoring System –** Designed a device for real-time temperature and humidity monitoring. Integrated IoT sensors and built a user-friendly data visualization interface.

SKILLS

- **Programming:** Python (Pandas, NumPy, Matplotlib, Seaborn), SQL
- **Data Tools:** Power BI, Google Colab, Jupyter Notebook
- **IoT & Development: I**oT Sensor Integration, Java Stack, Web Development
- **Soft Skills: Problem-Solving, Critical Thinking, Communication**
- **HTML,CSS,Javascript,java,c++.**
- **MS Word,Advanced Excel.**

CERTIFICATIONS

- **Google Data Analytics Certification**
- **SQL for Data Science – Coursera**
- **Java Stack Development – Udemy**
- **Web Development – Integral University**
- **Data Analytics – PW Skills**
